Hello neighbors,

Welcome to October. Let us pray going forward that we have good weather without any future hurricanes. So far, the tropics have not panned out as badly as the forecasts. Slightly cooler weather will be here soon. Nothing like the Northern states but a little nicer here.

October also brings several well-planned events for you. Please make every effort to sign up and attend. Volunteering would be nice too. One other item to bring up. The next month, November, is when you can make a run for the Board positions open. Take a few hours a month and be part of the people who make sure you have a voice (unbiased) between the park owner and you. Voting is in December. There are up to 5 open positions. Two are not due to run so plenty of spots to help. If you want more information, ask a current board member and they will help.

Lastly the children are in school so watch out when out of the park and do not pass a stopped school bus with its stop sign out. It will be a large ticket. Thank you.

Larry Hill,

FVA President

- As always, we ask that no one parks on the grass. As you are aware this can cause problems with plumbing pipes and the resident is responsible for any damage caused to them.
- Over night parking at the clubhouse needs to be approved by management. If you need to park at the clubhouse over night, please advise the office.
- Going forward, anyone who wants to book the clubhouse for a private party needs to see management at the office. There is now a mandatory deposit of a \$100.00 that is refundable once the clubhouse was cleaned and put back the way it was prior to the event.

Please Note that at the October 9, 2024, FVA Community General Meeting, we will discuss the following Amendment to the Bi-Laws, *Article VII* (Nomination and Election Procedure), *Section 2* (Qualifications to be a member of the Board of Directors):  
**\*\*Only 1 person from an occupied unit may be a member of the FVA Board of Directors.**
