Message From The President

Hello Friends and Neighbors

I would like to give a heartfelt thanks to all the people who helped neighbors during and after the hurricane. I also want to let everyone know who hosted or volunteered for any event we had this year – *you are very special*. Please continue on this path as we are coming into the favorite seasons of the year. Some love Halloween; some Thanksgiving and others Christmas and New Years. There are many events planned for these times. Please volunteer to help the fantastic people that are hosting these events for you, the community. Time to join in and make a difference in Foxwood Village.

We have numerous openings for the FVA Board. See Barbara Knight, Fran Gentry or Carol Barski for an easy application. These three ladies have been doing this for a long time and know what they are doing. They can answer most questions you may have. Glad you enjoyed the Halloween Soiree and look forward to the Veteran’s Day Lunch and Thanksgiving Dinner. They are the big ones, but we also have some smaller events during November so please help out.

Larry Hill,
FVA President

For the last couple of years (a week
before Veteran's Day) I have
honored and displayed Veteran
entry photos on bulletin boards in
the club house along with other
military prints and documents on
5 - 6 tables until a week after
Veteran's Day. The photos are then
returned.

I have asked for your photos and
received a very poor response. I'm
just asking for your military picture
so we can display it proudly.

I need these by Nov. 4th.

We still have too many Veteran
photos who have been gone for a
decade and nobody knows who
they are. I would like to update the
display.

Please give me your military
photos. You will get them back.

October has been a really tough month!

With two hurricanes, there has been
damage, but we have been blessed that no
one lost their home, and no one was hurt.
We are working on cleaning up the
community and getting things fixed. As
reported, other areas in Lakeland and
across the state endured significant
damage. Resources and supplies have
been delivered to the more devastated
areas, so we ask for patience as we get the
fence and other damages repaired.

Lakeland Electric will pick up 8 bags of
yard debris per pick up. They are
requesting that it be separated and bagged.
Polk County and FEMA will be picking up
the large tree debris and branches. We do
not have a timeline of when the yard debris
will be picked up at this time.

CONGRATULATIONS!
