Message From The President

Hello Foxwood Residents,

In all the years I've lived here, I have never experienced such wonderful and busy social events. All those responsible have outdone themselves and we all thank you.

More and more residents are participating and getting to know each other, especially the new residents. And compared to other communities I have seen, our park and your yards are the best.

Some Highlights:

1. The deadline for new or edited entries for the community phone book has passed and the book is well in the works. We will let you know when it is complete and printed.
2. A new Foxwood Community flag has been purchased to replace the old faded one in front of the club house.

3. Too bad the pool needs so much repair (under it) and will be closed from April 25th until at least through the month of May. We'll keep you posted.
4. Be sure to keep your attached calendar handy especially for the Mother's Day Luncheon and the May Flea Market. Any event additions will be posted in the Conference room, and the online calendar includes details for each event. (Updated printed calendars will be available in the Conference room if any events are added for May.)
5. Last but not least, Bingo starts again on May 5th.

Enjoy your special May events.

Dawn Toman, FVA President

Submitted by Shane Hartness

Starting on April 25 the pool will be closed for repairs and refurbishing. We do not have an estimated time of when the pool will reopen as this process will take some time. We will make an announcement of when the pool will reopen.

Just a reminder that the lot rent increase went into effect on April 1st. If you have any questions on your lot rent, please contact the office.

Again, we ask that you do not park on the grass. Cars or golf carts should not be parked on the grass at the clubhouse or on individual lots. There is now more golf cart parking in the front of the clubhouse.

Thank You,

Shane Hartness Community Manager
