MESSAGE FROM THE PRESIDENT

Hello Foxwood Residents,
A concerned resident recently reached out asking what we could do to help as a community, after a neighbor fell and called emergency services. But when they arrived, her door was locked. Fortunately, responders were able to enter without breaking down the door, but the incident highlighted a valuable service offered by the Lakeland Police Department called L.E.A.P. (Lakeland Elderly Assistance Program).

When you register for L.E.A.P., you receive a sticker for your door with a unique identification number that alerts emergency responders to vital medical and contact information. A flyer with more details and the registration phone number is available on the Home page of Foxwoodfva.com, in the Conference room or you can scan this QR code. →
I encourage everyone to consider signing up for this free program.

Looking ahead, October will be a busy month with several events including the birthday party. Maybe we will be able to get back outside! Our Halloween party is on October 24th and the golf cart parade on October 30th just to name a few. Get your costumes ready and join in the fun!

As the FVA begins planning for next year's budget and events, we are exploring several ideas, including bringing in a nationally known magician, hosting another Chinese New Year Dinner, and organizing a karaoke night. If you have event ideas you would like us to consider for the upcoming budget, please share them so we can discuss them at our next board meeting. We want to hear from you!

Have a great month,

Scott Patterson
FVA President

“Thank You For Coming!” How often have we heard that phrase? Every time we attended an event hosted by Sunny & her crew. We are so happy to have Dave & Sunny back so we can hear those words again – in person.

Who is Mildred Estella Kinsley? When a little girl was born, the delivery nurse said “that is NOT going to be her name. She looks like sunshine”. Thus, the name “Sunny” stuck until this day. There were 4 sisters in Sunny’s family, and she is in the middle. Sunny worked at a hotel in Erie, PA where she met Dave, the railroad guy. As we know, she loves to cook. Just a year after they moved to Foxwood Village, Sunny began to volunteer to cook for our events. All she wanted to do was **“Share her Crockpot”**. All Dave wanted was 3 guys to golf with and a swimming pool. (He’s been playing golf since he was 8 years old as a hobby but played in a league 20+ years).

Dave came from several generations of railroad family. He has 2 brothers and as the middle child, he says he was “the ignored one”. He spent 41 years with Norfolk Southern. Both grandfathers rode on the caboose as part of a 5-man team. In those days, they served as the eyes and ears at the rear of the train to ensure safety and handle operational logistics

Dave was a conductor but during the last 16 years he was the “Yard Master”. That’s the Air Traffic Controller for trains. Six stories up in a tower, he guided trains over the hump. When a railcar is **over the hump**, it has been slowly pushed up a man-made slope. At the very crest of the hill, a worker uncouples (“cuts”) the railcar from the string of cars while it is still in motion, and gravity rolls it down to a specific track to be sorted by destination. Dave earned the name “Humping Dave”. This really took a toll on his knees and back.

Sunny and Dave have 2 great grandchildren who stay with them for the summer in Ohio. Even though they are a distance away in the summer, they are always connected to the community and planning events for us. They just like to socialize and have fun.

Notes from Park Management – Shane Hartness

We are still under a water restriction. To find out more about the water restrictions, check out Polk County’s website at <https://www.polkfl.gov/services/utilities/water-restrictions/>

Just a reminder that I will be systematically going through the community, doing a 4-sided home inspection on all the homes starting in October. If the resident is home, I would like to go over my findings with them at that time; otherwise, I will leave a letter.

Thank you,
Shane Hartness, Park Manager
