MESSAGE FROM THE PRESIDENT

Happy November Foxwood,

It doesn't seem possible that we are starting to prepare for the end of the year already. We are starting the process of holding elections for the FVA Board of Directors, and we have 2 spots up for election this year. Our election committee consists of Barb Knight and Diane Cramer. If you are interested, please see them as soon as possible to get signed up. This must be done by Sunday Nov. 8th per the bylaws.

In addition, our Membership Committee will begin taking dues payments of $20 for 2027 membership. Please see Deb Crist, Julie Thornton, or Dennis and Diane Rex and they can help you with getting that taken care of for next year. You'll want to get signed up because there will likely be some events next year that will be cheaper or even free for members, while nonmembers will have to pay a higher price to attend.

Lastly, as we approach the holiday season, I wanted to make special note of a couple of charitable activities that are happening. You might have noticed the **Toys for Tots** collection box in the clubhouse. It would be great if we could fill that up with toys for the area kids. Just make sure the toys are new and in original packaging. We will also be making our annual donation to **Cops for Kids** at the board meeting on November 9th.
Have a great November and I'll see you all around the clubhouse!

Have a great month!

Scott Patterson
FVA President

FVA BOARD ELECTIONS

Our Board Needs You

TWO SEATS. YOUR CHANCE TO LEAD.

Apply 72 hours before the Nov. 11 General Meeting. Candidates announced that night.

Monthly Notes from Park Management – Shane Hartness

When you experience power outages, water disruptions, or any utilities being turned off at your home, **please do not call the office**. The office is never notified about scheduled work being done in the area by Lakeland Electric or Polk County Utilities. **If your power or water is disrupted, please call Lakeland Electric at 863-834-9535 or Polk County Utilities at 863-298-4100.**

When the power is out at the clubhouse & office, our phone will not be up and running. Our office phones run off the internet. When the power goes off, our phones do not work. All calls go straight to the phone service voicemail, and we do not have access to the voicemail until the power and the internet are back up and running.

Just a reminder that I will be systematically going through the community, doing a 4-sided home inspection on all the homes. If the resident is home, I would like to go over my findings with them at that time; otherwise, I will leave a letter. I want to thank all the residents who have already had their 4-sided home inspection for their cooperation.

Thank you,
Shane Hartness, Park Manager
